Welcome to Family Counseling Services Funding Software!

Click on any tab to continue.

CLIENTS is used to create new clients and to add sessions to a specific client. In this program the sessions are used only for tracking the budget of the grants.

GRANTS is used to interact with the grants that are used year to year.

DONORS is used for non-grant monetary donations.

IN-KIND is used for in-kind donations such as volunteer hours and item donations.

EVENTS is used to track information about planned fundraising events.

REPORTS are used to create general reports.

The screenshot shows a web application interface. At the top, there is a navigation bar with the following tabs: Clients, Grants, Donors, In-Kind, Events, Reports, and Administrative. Below the navigation bar, on the left side, there is a sidebar with two buttons: 'Create New Account' and 'Create Backup'. The main content area displays a search bar labeled 'Search By Username:' followed by an input field. Below the search bar, there is a table with the following content:

Username
RaquelRocks
JC
Intern Joe

A modal dialog box is displayed in the center of the screen with the following text:

Backup Created
Your backup is now complete.

At the bottom of the modal dialog box, there is a red button labeled 'Done'.
